OPEN GYM HOURS EXPANDED

We have increased our Open Gym Hours!

Monday & Tuesday 5:30–7:45

Thursday 5:30–7:30

Saturday 10–4:45

Come join us for a game of Pick-up
Basketball, or just practice your shot.

Open Gym is free and everyone is welcome! We do need a
signed liability waiver for every participant (parent
signature required for minors).

BOYS AND GIRLS CLUB

Summer camp starts this month and we couldn't be more excited! With the
end of the school year comes days full of fun here in the club. We have
games, arts & crafts, field trips and more to keep children ages 5-13 busy
all summer long!

These longer days
also mean we could
use volunteers more
than ever! Our
weekly field trips
every Tuesday and
Thursday go much
smoother with the
help of volunteers
but we could also
use help any day of
the week! If you are
interested in working
with kids, whether to
gain experience in
the field or just to
have some fun,
come see us or call
Chelsea Tate at 360-
297-3996.

JAN RICHARDS and JIM CHRISMAN

Jan has been volunteering since the third grade. Elected for class secretary, most valued usherette and many things. She majored in Social Work in College. She was President of the Officers Wives Club, Friends of the Library in many cities and her most honored position was President of the Board of Directors of the Washington State Special Olympics. Jan volunteers at the Village Green twice a week. She appreciates being provided with the opportunity to work with the most creative, smartest and nicest of volunteers.

Jim's volunteering history includes working for Habitat for Humanity on the homes at the top of Ohio. Involved in his church, he always made himself available anywhere he was needed. A big pickle ball fan, Jim was involved in the planning of the pickle ball courts in the tennis court area of the Village Green and was one of the early volunteers who worked hard to keep the courts free of leaves and debris so that they were playable. Jim is a volunteer mower of the grass at the Village Green Park with a great group of men. He spent time behind the reception desk and patching up spots on our walls.

Look for Jan and Jim in the 4th of July Parade!

Mary Anne Moorman's topic is "How did an English harpsichord become Appalachian music?" It's an adventure story from Great Britain to the Big Valley where old tunes become a new tale.

Larry Hohm will tell a story by H. G. Wells set in Victorian England, written in a thoroughly British style.

Karen Shaw will lead a dance demonstration of English Country Dancing, with live music, much like what was done in Jane Austin's day in wealthy estates of the English countryside. And you can participate in some easy English Country Dances from 4:00 to 5:00 pm.
