### **PROGRAMS**

Programming is going through a bit of an evolution. Some long standing classes such as Hip Hop and Ukulele have come to an end due to lack of commitment of registrants. Others like Zumba Gold have increased their attendance based on a name change to Dance Fitness - the word Zumba seemed to have chased people away.

Our monthly newsletter is published by a company named LPI. They are responsible for selling ads that appear in the newsletter to help pay for the cost of production. A representative from the company spent two weeks in town selling ads for the next year of newsletters, and she was so successful that we might be able to move to 18 pages beginning January. I will be sending out a thank you card for the sponsors of our newsletter. This is an awkward time of year to come up with marketing money, but our sponsors seem to have found it.

Large events that will be happening at the Village Green include our annual Festival of Trees, Community Meals, Ladle of Love, a English musical production of Hansel and Gretel and the return of the Society of Creative Anachronism: the Barony of Dragon's Laire will be hosting their Yule Fest (breakfast, lunch and dinner) again on December

14. This is the renaissance faire society and I very much look forward to hosting them again. They happily paid \$1,500 to rent the kitchen and banquet hall for 12 hours.

December 7 is the Kingston Cove Christmas and we will be hosting the Holiday Craft Fair, once again, at the Village Green. We partnered with the Chamber for advertising, and the KHS Athletic Boosters. KHS is bringing their holiday bazaar to the Village Green this year, as traffic up to the school over the last couple of years had been dwindling. We cut off registrations of vendors when we maxed out in spaces, and allowed for KHS to sell vendor spaces in the gym. The more vendors on site, the more successful the event will be.

We are having a cookie exchange with the volunteers at the December volunteer meeting. We have upwards of 40 volunteers who come every week to man the front desk, greet guests, give tours of the building, maintain our reservations system and work special events. I try to make them feel appreciated everytime I work with them. This little party we will be having is just a small fun way to let them know how much they're appreciated. A couple of month ago, we treated them to an evening at Downpour where Argensal was selling food and the MPD paid for two drinks and dinner for everyone who showed. Unfortunately, we missed some of our key volunteers who had already gone south, and others just couldn't make it, so this did not reach out to everyone.

### **PROPERTY**

The silica based substance for keeping a seal in the concrete flooring has been received by KRL custodians and they are now using is as they mop the floors once a week.

Dials for fans in the gym and caged covers have now been installed by Alan Chessman.

Another Trespass incident occurred at the center on Saturday, November 9. An agitated man was escorted out of the building by Branch Manager, Leigh Ann Winterowd and she was supported by Carol Geissler and front desk staff who called 911. To our knowledge the man has not returned. I followed up on the details of the incident after speaking to both Carol and Leigh Ann and viewed the incident on the CCTV.

KRL has put out an RFP for snow removal. To my understanding, only one service provider responded to the RFP. It is also my understanding that the MPD might have been approached to share the cost of show removal, but at this time, I am not quite sure.

The Village Green will be closed on Thanksgiving Day and the day after, also on Christmas Eve and Christmas day. In both instances, we will be closing at 5 pm on the evening of the day before. These closure times are in line with the KRL calendar and it will make life easier for all.

Respectfully submitted, Linda Fyfe
